ENJOYS HIS 3 MEALS A DAY

Mr. Wooten Thinks Much of ZIRON Because
It Made Him His Old Self Again.

Sick people do not get much out of life. In order to enjoy your meals, to do your work well, you must be strong and healthy.

Pale, weak, nervous people frequently need iron to enrich their blood and to restore vitality to their system, and a good way to supply the iron is to follow the example of Mr. Clayton Wooten, of Scotland, Oa., who used Ziron Iron Tonic and has this to say about it:

"I have taken Ziron according to directions and I can truthfully say that it is a fine tonic. It has done me all the good. Since I began taking it, I have gained eight pounds in weight and enjoy eating three meals a day. I shall do all I can to recommend Ziron."

Try Ziron! Your druggist sells Ziron on a guarantee to refund your money if the first bottle fails to benefit. You cannot lose anything, but very likely will gain much, by getting a bottle of Ziron, today!

Small Investment Brings Big Return. Mr. Weaver's Plan is Simple.

"I bought a package of Dr. Le-Gear's Stock Powders from my local dealer and after feeding it to my Jersey Cow, she increased from 6 quarts to 12 quarts of milk per day, and after continuing the Powders for 30 days longer, she increased in butter-fat from 5 pounds to 10 pounds per week, and at the end of 5 months, she was making 12 pounds of butter fat per week."

PEPTO-MAOGAN MAKES MAKES RICH RED BLOOD.

HELPS RESTORE THIN, RUN-DOWN MEN
AND WOMEN TO VIGOROUS, FULL-
BLOODED HEALTH

RECOMMENDED BY PHYSICIANS

SOLD IN LIQUID or TABLET FORM—THE
NAME "GUDE'S" THE GUIDE TO
THE GENUINE

It is a true saying that your health is only as good as your blood. Good rich blood manifests itself in a healthy, natural complexion; clear, keen eyes; tireless energy and enthusiasm; and an abundant supply of reserve strength.

And just as positively does poor, thin blood directly influence the entire system. Pale, sallow complexions, dull eyes; a listless step; languidness; tiredness; worn-out feeling; a general dejectedness and unhappiness—all are positive signs that the body is not receiving its proper nourishment through the blood.

Pepto-Mangan helps to restore vigorous health because it contains the very elements so much needed by the blood to enable it to perform its functions and supply the body with nourishment, energy and strength.

For your convenience, Pepto-Mangan is prepared in tablet as well as liquid form. Both possess exactly the same medicinal value.

There is but one genuine Pepto-Mangan, and that is "Gude's". If the name "Gude's" is not on the package it is not Pepto-Mangan.—Advertisement.
